Please put and **X** in the box next to the class time that fits your schedule best. Give us your top 3 choices by labeling them 1,2 or 3. Group lessons last 45 minutes and private lessons last 30 minutes. You may specify your preference for a group or private lesson at the bottom of this page. Generally, evening classes are groups as indicated by the shading on the half hour. We will do our best to honor your first choice and place your child where we can provide the best experience. Shaded areas are not available at this time. Please print out and mail this in with the rest of your completed registration forms.
